Walking Together
ON PKKP COUNTRY

In August, a group of Perpetual staff had the privilege of participating in a three-day On Country experience across Murujuga and Nanutarra, guided by Terry Drage and Peter Jeffries.

Through time spent on Country, yarning, storytelling, and visits to places of cultural significance, participants gained a deeper understanding of PKKP history, culture, and the enduring connection between People and Country.

We sincerely thank Terry and PJ for sharing their knowledge, stories, and hospitality. Their generosity created a meaningful experience that will leave a lasting impression on all who attended and further strengthen our understanding of the PKKP People and our role in supporting current and future generations.

Listening to our Elders

The PKKP Elders Forum was held in Karratha in August, bringing Elders together to share knowledge, discuss community priorities, and hear updates from key organisations. Representatives from the Department of Planning, Lands and Heritage, the Cultural Heritage Committee, PKKP Aboriginal Corporation, and the Juukan Gorge Legacy Foundation provided presentations and updates to attendees.

The forum continues to play an important role in ensuring Elders' voices are heard, fostering discussion on matters that are important to PKKP People, and helping shape a strong future for generations to come.

TRUST UPDATES

A New Name for a Strong Future

Congratulations to the Future Leaders Council on advocating for their new name.

Formerly known as the Youth Council, the new name reflects the group's focus on leadership, growth, and the important role young PKKP People play in shaping a strong future for their community.

IMPORTANT DATES
